

FRIGO®

WINTER ADDITIVE

PRODUCT INFORMATION

BEFORE

AFTER

FRIGO® winter additive is used with AERIS™ and ORUS® glass window cleaners and OTIS super concentrate surface cleaner and is the necessary complement to extend the effective temperature range for below freezing conditions.

FRIGO extends your cleaning capabilities year round using “only what you need” to mix your solution to match your weather -- a key LEED® principle in environmentally friendly operations. FRIGO is a methanol-based solution and is a USA renewable resource.

FRIGO ADVANTAGES:

- Prevents squeegee buckets from freezing
- Simple, “Use only what you need” solution
- Made from renewable, U.S. resources
- Does not harm the environment

“Average customer saves \$220 / location each winter”

UPC: 850487003045
 Weight: 36 LBS
 Case Pack: 24 / PALLET
