Store container with a tight cap and in and upright position. Do not destroy or deface the label.

Exposure Controls and Personal Protection – Section VIII	
Respiratory Protection:	None required.
Protective Gloves:	None required for normal use.
Eye Protection:	Always wear eye protection when handling chemicals.

# Material Safety Data Sheet

Physical and Chemical Properties – Section IX	Stability and Reactivity – Section X
Appearance: Clear Liquid (light amber) Boiling Point: N/A PH: (1.0% solution) N/A Vapor Pressure: (mm/Hg): N/A Specific Gravity (H <sub>2</sub> O = 1) 0.839	Vapor Density: N/A Solubility in Water: Insoluble Stable: Yes Incompatibility: No known Hazardous Decomposition: None

Toxicological Information – Section XI
None

Ecological Information – Section XII
None

Disposal Considerations – Section XIII
Consult all LOCAL, STATE, and FEDERAL regulations with regards to proper and suitable disposal method.

Transportation and Storage Information – Section XIV
This product is not regulated.

Regulatory Information – Section XV
Listed Carcinogen: None known. SARA: This product does not contain any chemicals subject to section 313 of Title III “the Emergency Planning and Community Right-to-Know act of 1986” or 40 CFR 372. TSCA Status: All components in this product are listed on the TSCA inventory.

Other Information – Section XVI
