

# WINTER ADDITIVE FREQUENTLY ASKED QUESTIONS

## What makes FRIGO® different than other anti-freeze solutions?

**Safety** - FRIGO solution is safe for personnel handling; ethanol based formulation is non-poisonous and more environmentally friendly.

**System** - With FRIGO you “use only what you need”. FRIGO comes with optional custom thermometer to direct mixing to use only what’s needed. Simple.

**Savings** - FRIGO saves \$\$\$ money because you can adjust the amount or freeze protection to the daily temperature each time you mix. FRIGO system approach saves money because you use the right amount, every time.

## How much FRIGO do I need to add to prevent freezing?

Use FRIGO thermometer and mixing instructions for various temperatures. Remember to mix solution for the lowest expected temperature. A copy of FRIGO’s cleaning instructions and mixing instructions can be found online at [www.mycaf.com](http://www.mycaf.com).

## How is FRIGO a safer and greener alternative for windshield wash solution?

Unlike traditional methanol-based winter solutions that are required to be labeled as poisonous, FRIGO is ethanol based and safer to use. FRIGO is also a USA-grown renewable resource and supports a key LEED® principle for environmentally friendly operations by allowing users to “Use only what you need.”

## What products does FRIGO work with?

FRIGO is specifically designed to work with AERIS™ and ORUS® ultra concentrate glass window cleaners and OTIS super concentrate surface cleaner. Additionally, FRIGO can be added to other waterbased cleaners and solutions to reduce the freezing point. Note: Review product SDS for all products to be mixed to insure that the products are non-reactive.

## What are the safety procedures for using this product?

Please read the SDS prior to use. Even though FRIGO has been tested to be a safe cleaning solution, it is recommended that you wash your hands immediately after using the product. Use and store FRIGO outside in a well ventilated area and away from ignition sources.

## How do I reorder FRIGO?
