

SPRAY&GO® MOSS, MOLD, MILDEW AND ALGAE STAIN REMOVER

SPRAY&GO® removes moss, mold, mildew and algae stains from hard surfaces. How it works: once treated with SPRAY&GO, the surface requires no pressure washing, scrubbing or rinsing. Just thoroughly wet the DRY surface with SPRAY&GO and then forget about it. The elements (wind and rain etc.) will slowly wash off the stain. If the surface to be treated is not fully exposed to rainfall or is vertical, some assistance may be required to remove stains.

ADVANTAGES

- EASY - Just "spray and go"... no scrubbing, rinsing or pressure washing
- EFFECTIVE - Removes tough stains from most surfaces
- SAFE - Non-bleach, non-acid formula safe for people and surfaces
- LONG LASTING - Advanced moss, mold, mildew and algae stain remover
- Contains no bleach, abrasives, hard acids or phosphates

PRODUCT DETAILS

Volume: 1.0 gal.
Case: 4 units
Yield: 6 gallons
Item Number: SNG
UPC Number: 850487003328

EFFECTIVE ON

- Aluminum siding
- Painted metal
- Asphalt
- Wood Surfaces
- Plastic
- Concrete
- Pool surroundings
- Ceramic pots
- Play equipment
- Wood decks
- Fiberglass
- Clay tiles
