

FUEL SPILL NEUTRALIZER

REACT™ is a fuel spill neutralizer that quickly reduces fuel spill flammability through a revolutionary formula of eco-friendly, all-natural surfactants. REACT allows users to treat small spills without absorbents, eliminating the need to dispose of hazardous waste. The REACT formula enhances traction on surfaces where spills are present, reducing slip and fall injuries. The concentrated liquid formula bioremediates contaminants on site making it simple to just spray on spill, walk away and let dry.

ADVANTAGES

- Quickly reduces fuel spill flammability
- Requires no absorbents for small spills
- Creates no hazardous waste
- Suppresses gas vapors
- Environmentally friendly
- Reduces labor & increases response times
- REACT meets NFPA 30a for operational compliance

EFFECTIVE ON

- Concrete
- Asphalt
- Non-porous surfaces

PACKAGING

- Weight 4.5 lbs.
- 4/Case
- Liquid concentrate
- Item # RCT64
- UPC # 850487003687
